

# WHAT WILL OUR LEGACY BE AND HOW WILL YOU PLAY A ROLE?

Our world has evolved significantly since our last capital campaign in the mid-1980's. New challenges face us today that we never needed to consider in the past, including safety, accessibility, and engagement. Previous generations provided the financial support for periodic major capital improvements that helped us become the church we are today. But our last campaign was nearly 30 years ago. Now, it's our turn to invest in the future and serve as an inspiration to those who follow. While in-full donations are always appreciated, gifts spanning multiple years are also an option. Ask your financial planner how you may be able to perform structured giving that can help you provide even more support than you initially thought possible.

## HOW WILL WE MEET OUR GOAL?

Meeting the \$2 million dollar goal will be accomplished through donations of all sizes. We ask that you think about what the legacy of this church means to you and give according to your ability.

To reach our funding goal, we project this will require an average of 4 times the annual giving level for our membership. Your gift is payable in a lump sum or over up to five years. We realize that this will be a stretch for some of you, while others might be able to contribute more. We just ask that you consider what our church means to you, your family and our community and to give as generously as you can.
